

Pressure-Sensitive Paint Workshop

AIAA SciTech 2018

Kissimmee, Florida

The AIAA Advanced Measurement Techniques Technical Committee will host a Pressure-Sensitive Paint (PSP) workshop as part of the AIAA SciTech conference in January 2018.

The PSP workshop will offer an excellent opportunity for the PSP community to exchange ideas. This workshop is open to all conference attendees. Especially all PSP users, developers, and customers are invited to attend.

Three distinguished experts in the field of steady state PSP, unsteady PSP, and PSP related hardware have been invited to give a presentation focused on one of the topics with an open discussion following each talk.

Details regarding the date, time, and location will be announced closer to the AIAA SciTech conference.
